We provide fully regulated and fully managed live-in care across the whole of the Cumbria region to enable loved ones to live independently and safely at home whilst remaining close to their community and family. We have a range of flexible services from full time live-in care 7 days per week or part time for 4 or 5 days. We can also offer extended day care support from 8.00 am to 10.00 pm for a minimum of 4 hours per day and 24 hours over consecutive days. For those unpaid family carers who require some respite we can offer a live-in respite care service for 2 weeks with 10 days' notice.

Our care can be arranged speedily if needed, 5 days after a face-to-face care assessment. All carers are trained to support people requiring companionship, living with dementia, needing help with personal care and medication or other more complex needs. Carers live with our client in a spare room rotating with another live-in carer on a 4–6-week basis to minimise disruption and help to develop a close professional relationship, whilst offering peace of mind to the family. We organise and cover costs for all changeovers and there are no hidden costs for families to worry about other than a weekly care fee.
